Quayside Art Gallery invites artists and crafters to participate in our Art Supply Sidewalk Sale. Clear out your studio, make a little money, and help fellow artists discover some great bargains!

How can you participate?

Displaying PAI/Quayside Members and Rental Artists

Enter your inventory into Ricochet Point of Sale as usual, using **Art Supplies** as the Product Name. Descriptions are optional and primarily for your own reference.

Every item must have a price tag. We encourage simple price points such as \$1, \$5, \$10, and \$20 to make checkout easier. Larger or higher-value items may be priced individually. Consider bundling or bagging smaller supplies.

Your standard gallery commission applies.

Associate Members — 20% Commission

Associate Members are welcome to consign art supplies at a special 20% commission rate.

Community Artists and Crafters — 35% Commission

Artists and crafters who are not Quayside members are welcome to participate!

Email quaysidearts@gmail.com by October 25th with the approximate quantity, general description, and desired prices of your supplies. We'll prepare an envelope of price stickers for you to pick up at Quayside after October 27th during Gallery hours (11am-5pm).

Quayside will handle customer transactions and retain 35% of the selling price.

Come clear out your studio, discover something new, and support Pensacola's creative community!
